## **Technical Data Sheet**

## Gerstengras WS P.E. 4:1 Barley grass WS P.E. 4:1

| Name                                 | Water soluble barley grass powde  | r extract                  |            |
|--------------------------------------|---|----------------------------|------------|
| Botanical Name                       | Hordeum vulgare Linn  | Extraction solvent         | Water      |
| Part Used                            | Herb  | Barley Grass Extract       | Approx 80% |
| Origin                               | China   | Carrier (Maltodextrin)     | Approx 20% |
| ITEM                                 | SPECIFICATION   | METHOD                     |            |
| Assay                                | 4:1   | TLC                        |            |
| Appearance*                          | Light Brown Green Fine Powder   | Visual                     |            |
| Odor & Taste                         | Characteristic  | Organoleptic               |            |
| Identification                       | Positive  | TLC                        |            |
| Sieve analysis                       | 100% through 80 Mesh  | 80 Mesh Screen             |            |
| Loss on Drying                       | max 5%  | Eu. Pharm. c.v. (2.8.17)   |            |
| Total Ash                            | max 5%  | Eu. Pharm. c.v. (2.4.16)   |            |
| Bulk Density                         | 0.30~0.70g/ml   |                            |            |
| Aflatoxin B1                         | 2 μg/kg max   | Eu. Pharm. c.v. (2.8.18)   |            |
| Total Aflatoxins (B1, B2, G1, G2)    | 4 μg/kg max   | Eu. Pharm. c.v. (2.8.18)   |            |
| *The color may vary                  |   |                            |            |
| STATEMENTS                           |   |                            |            |
| Food Quality and Safety              | According to Reg. (EC) 178/2002   |                            |            |
| Hygiene of foodstuffs                | In compliance with Reg. (EC) 852/2004   |                            |            |
| Hazard                               | Not dangerous in accordance with EU regulation (EC) No 1272/2008  |                            |            |
| Contaminants                         | According to Reg. (EC) 2023/915 for food supplements  |                            |            |
| Preservative                         | Preservative Free   |                            |            |
| Residual Solvents                    | According to Dir. (EC) 2009/32 and amendments   |                            |            |
| Pesticides                           | According to Reg. (EC) 396/2005 and amendments  |                            |            |
| Microbiology                         | Bacterial Count: TAMC-Bacteria: <10,000 cfu/g, TYMC: <300 cfu/g, Salmonella: negative, E. Coli: negative, S<br>Aureus: negative |                            |            |
| GMO                                  | GMO Free According to Reg. (EC) 1829/2003 and 1830/2003 and amendments  |                            |            |
| ETO                                  | ETO free  |                            |            |
| Vegan                                | Conform   |                            |            |
| Sterilization Method                 | High Temperature and Pressure   |                            |            |
| Irradiation                          | No ionization or other radiation is permitted According to Reg. (EC) 1999/2 and 1999/3 and amendments                           |                            |            |
| BSE/TSE                              | Risk Free BSE/TSE   |                            |            |
| Allergen status                      | No allergens requiring labeling according to Reg. (EC) 1169/2011  |                            |            |
| Unintentional contact (traces) in th | e supply chain cannot be excluded.  |                            |            |
| Nanomaterials                        | Absent According to Reg. (EC) 1169/2011   |                            |            |
| Titanium dioxide                     | Absent According to Reg. (EC) 2022/63   |                            |            |
| Packaging                            | According to Reg. (EC) 1935/2004  | and 10/2011 and amendments |            |
| STORAGE AND HANDLING                 |   |                            |            |
| Storage                              | Store in a well-closed container away from moisture and direct sunlight   |                            |            |
| Shelf Life                           | 3 years if sealed and properly stored   |                            |            |
| Document status template             | 24.06.2024  |                            |            |
| Issue date (V2)                      | 10.09.2024  |                            |            |
